SA Špičák - The Špičák walking tour

4

INFORMATION ABOUT THE TRAIL TRAIL DESCRIPTION

Starting point: SA Špičák
Finish point: SA Špičák
Length of trail: 6.3 km
Time required: 1.5 h
Climb difficulty: medium
Downhill difficulty: low
Height difference: 295 m
The lowest point of the trail: 865 m above sea level
The highest point of the trail: 1,160 m above sea level

From the SA Špičák through the chair lift clearing about 400 m uphill onto the crossing with a yellow envelope, turn left here and go straight on towards Devil's Lake, at the crossing with a red tourist mark turn right and climb up following the red tourist mark and the yellow envelope to Rozvodí/Watershed (the highest trail point 1,160 m above sea level). From here downhill along the so-called Rozvodská cesta/Watershed Way (a blue tourist mark). Turn right at its end to follow the blue envelope NT Špičák to Prokop's Meadow. The mark (even a single trail for bikes) crosses slopes, use one the slopes to get to the SA Špičák.

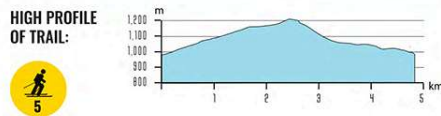

From the Špičák Saddle over Pancíř and a concrete way back to the Špičák Saddle

5

INFORMATION ABOUT THE TRAIL

Starting point: the Špičák Saddle Parking Place
Finish point: the Špičák Saddle Parking Place
Length of trail: 4.9 km
Time required: 1-1.5 hours
Climb difficulty: medium
Downhill difficulty: medium
Height difference: 237 m
The lowest point of the trail: 977 m above sea level
The highest point of the trail: 1,214 m above sea level

TRAIL DESCRIPTION
From the Špičák Saddle Parking Place (starting point of tourist tracks) follow the red tourist mark to the peak of Pancíř (the highest trail point - 1,214 m above sea level, a possibility to have some refreshment). From the peak go downhill, following the west direction, using the slope of the ski site Pancíř. From the lower station of the ski tow go on, following the blue tourist mark back to the Špičák Saddle.

From Špičák over Pancíř to Železná Ruda

6

INFORMATION ABOUT THE TRAIL

Starting point: the railway station Špičák
Finish point: the railway station Železná Ruda - town
Length of trail: 9 km
Time required: 2-2.5 hours
Climb difficulty: medium
Downhill difficulty: low
Height difference: +381, -427 m
The lowest point of the trail: 787 m above sea level
The highest point of the trail: Pancíř, 1,214 m above sea level

TRAIL DESCRIPTION
From the railway station Špičák follow the blue tourist mark to the SA Špičák, then follow the green tourist mark to the tourist crossroads under Weiss's Meadow, go on, cross the road and the ski slope on Weiss's Meadow at the end of the ski tow. From here keep following the green tourist mark across the tourist crossroads Pod Švýčárnou/Under Švýčárna to the chair lift interstation Hofmanky. Then under the chair lift, using the slope onto the peak of Pancíř (a possibility to have some refreshment). From the peak of Pancíř go downhill. This is the same way to Hofmanky and from here follow the blue tourist mark across the crossroads Under Hofmanky along a maintained ski trail to the upper ski tow station SA above the railway station in front of the Belveder Hotel. From here go downhill, using the slope to the railway station Železná Ruda - town.

station in front of the Belveder Hotel. From here go downhill, using the slope to the railway station Železná Ruda - town.

From Brčálník over Pancíř to Špičák

7
